

# Welcome to Mrs. Braun's Science Class

Dear Parent or Guardian:

I am very excited to share my love for science with your child. During the year, the students will have the opportunity to learn and explore the world with hands-on activities and labs, as well as technology rich lessons.

In order to create a pleasant and productive classroom atmosphere, the students will be taught procedures to place their learning and well being first. Every student will be expected to behave in a professional manner at all times in the classroom.

If you need to contact me for any reason you can call the school (985-892-3021) or email me ([caterina.braun@stpsb.org](mailto:caterina.braun@stpsb.org)).

During the school year I communicate with emails to parents about upcoming tests, exams, and project deadlines. In addition the students have access to Moodle at <https://moodle.stpsb.org/moodle/>.

Again, welcome to science class! I look forward to working closely with you to ensure your student has a successful year at PJH.

Sincerely,  
Caterina Braun  
7<sup>th</sup> grade Life Science  
8<sup>th</sup> grade Earth Science

## Supplies needed for Science:
